The Crawford County Assessor's parcel information is on the web! We are able to offer a fast, easy approach for people to access the public records our office provides.

---

http://crawford.iowaassessors.com/   click on **Crawford** County

The basic information is available for a simple search at no cost to you. There is <u>also</u> the option of doing *advanced* property searches, as well as, residential and commercial comparable sales searches. These services are password protected and users will need to acquire the password through an annual, fee based, subscription.

As an added convenience, to Crawford County taxpayers, for advanced comparable sale searches, we have made that option <u>free to the public from February 21 – June 5.</u>

For the advanced search option you will need to use the following user/password information.

> **USER ID:**   **Crawford**
> **PASSWORD:**   **2025**

Advanced search options to use are:

> **Residential Sale Search**
> **Commercial Sale Search**
> **As well as:**   **Parcel & Advanced Parcel Search**

After selecting your sales list, you can click on the 'blue' parcel number and dwelling and sale information will appear. You can also access individual parcels by use of the 'Parcel Search' option.

Helpful website information:

Type the parcel number or
the full address (example: 123 01th AVE N);
just the house number (123); or just the street name (01th AVE N) and you
will get a list of those addresses matching your request.

Use a '0' before the number if entering a street from 1 to 9. (01st Ave – 09th St)

Common abbreviations used: ST / AVE / RD / BLVD / HWY / N / S / E / W

For additional 'information:

Click on any blue colored word/s in a report for additional information.

If there is **Agricultural Building Information,** on the parcel you have selected,
click on each individual building for structure information.

Exempt property information is not on the web site.
